Subject: Unauthorised UPI Transaction(s) — Case Reference RESOLVE-2026-0017

Dear Sir/Madam,

I am writing to report an unauthorised UPI transaction that occurred without my authorisation, as detailed below:

Transaction 1:

- Amount: Rs. 499.00
- UTR Number: 241483492953
- Date: 2026-07-01
- Time: 23:30:00
- Merchant/Payee: ZEAI SOFT PRIVATE LIMITED
- Beneficiary UPI ID: zeaisoftprivate925988 'zp@rxairtel

Additional details: I received a phone call from someone claiming to be a customs officer, saying my parcel was seized and demanding a clearance fee. I was pressured to pay immediately.

Fraud Indicators Identified:

- Impersonation Scam (high confidence): A user received a phone call from someone claiming to be a customs officer who demanded a clearance fee for a seized parcel, which is a clear instance of impersonation.

I request an immediate investigation into this matter and appropriate action, including reversal of the disputed amount(s), under the RBI's Limited Liability guidelines for unauthorised electronic transactions.

I am attaching supporting evidence (screenshots, messages) that substantiate this complaint. Please treat this as a formal, time-sensitive request given the nature of the fraud involved.

I look forward to your prompt response and resolution.

Regards,
Test User
